THE PROPHETIC VOICE OF THE CHURCH

USPG LENT APPEAL 2019

We're supporting the Churches of North and South India as they seek to be the prophetic voice in their communities.

Our relationships with the world church go back decades, and even centuries in some cases. Together, we are sharing God's love among those whose needs are greatest. But the vital work of our partners depends on your donations to make it happen.

So please make a generous donation to USPG so the Churches of North and South India - featured in our 2019 study course - can continue to be the hands and feet of Christ in the communities they serve.

Donate via our website www.uspg.org.uk/donate or call 020 7921 2200.

Thank you for your support.
