

Dear Supporters

We would like to offer our most heartfelt thanks to you for your outstanding support for the Archbishops' Appeal for Zimbabwe. Through your generous contributions we have raised almost half a million pounds for humanitarian work across Zimbabwe. This money has been put to good use by the five Anglican dioceses in Zimbabwe as they engaged in feeding schemes in schools and prisons, supplied medicines to local clinics, distributed seed and trained farmers.

On this DVD you will find a short film and a collection of photos showing the work that has been happening in local communities as a result of this appeal. Zimbabwe faces multiple challenges and will continue to do so for many years to come, but we hope you will be encouraged by the people you see in this film and the good work that is being done by the church to minister to physical as well as spiritual needs.

We would also like to express our deepest thanks to USPG: Anglicans in World Mission, who have administered this fund on our behalf. Their longstanding partnership with the local church in Zimbabwe has been invaluable to this Appeal, and we urge you to continue supporting them as they support the local church in Zimbabwe and across the world.

*'The church has no option. They always have to act. Not to react but actually to take a lead in guiding their communities, the nation, in ways that bring justice to all.'* (Bishop Chad Gandiya – Bishop of Harare)

Once again let us say thank you for your support. Thank you for empowering the local church to be salt and light in their communities.
