Data Protection

The information you supply in this application and during selection interviews will be used for the Mission Companion Programme application process. On acceptance, the information will be used to manage your participation in the Programme and your relationship with USPG. This may require some of the information you provide to be made available to:

- a. Other USPG departments.
- b. Clergy pension scheme administrators or the Ecclesiastical Insurance Group, which is the administrator of USPG's Overseas Pension Scheme.
- c. InterHealth travel clinic and a clinical psychologist.
- d. Church authorities in countries being considered for your placement. Please note that it is unlikely that these countries will have laws that give equal protection to the 1998 Data Protection Act, but care is taken to ensure information about you remains confidential.

Declaration and Consent:

I consent to the terms of the above statement and, if my application is successful, I give my permission for the transfer of my personal information to the appropriate church authorities for the purposes of my placement as stated in part d above.
