

USPG Projects scheme

Target your giving as part of USPG's support for Anglican and United Churches in over 50 countries

The pieces of work shown on these pages are a sample taken from more than 80 Projects supported by USPG. They all provide an opportunity for you and your church to connect directly with the mission of the global Anglican family.

1. Choose a Project or Projects that inspire you.
2. Contact USPG for further information.
3. Decide how much you or your church can afford to donate to support your chosen Project.
4. Make a pledge or set up a regular donation.
5. You will receive newsletters and be able to order resources to help you to promote your Project.

'USPG continues to enrich the life of the Anglican Communion through its rootedness in the life of the provinces. Its commitment to partnership and co-operation yields great dividends as together we share in God's mission worldwide.'

Archbishop Rowan Williams

Richard Owen, Trinidad
Project B05 | Target: £17,100/€22,800

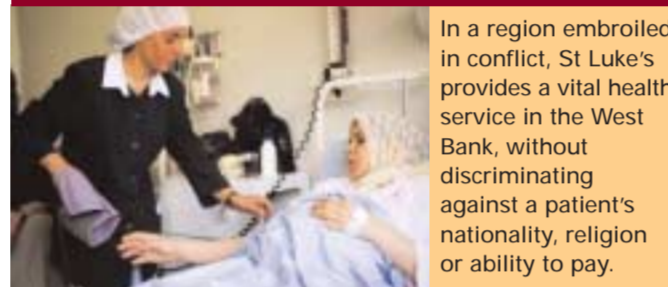

USPG Mission Companion Richard Owen is teaching music to provide young people with an alternative to life on the streets, where there are crime and drugs.

Mampong Babies' Home in Ghana
Project 417 | Target: £7,610/€10,150

Mampong cares for vulnerable children aged under-five – many of them orphans – and looks after them until they can be placed with extended family.

St Luke's Hospital, Nablus
Project 354 | Target: £4,520/€6,030

In a region embroiled in conflict, St Luke's provides a vital health service in the West Bank, without discriminating against a patient's nationality, religion or ability to pay.

Community Health, Pakistan
Project 444 | Target: £2,670/€3,560

This Project is supporting two hospitals and health outreach, providing a vital source of medical care for people of all faiths in Hyderabad Diocese.

Bollobhpur Nursing School, Bangladesh
Project 396 | Target: £4,140/€5,520

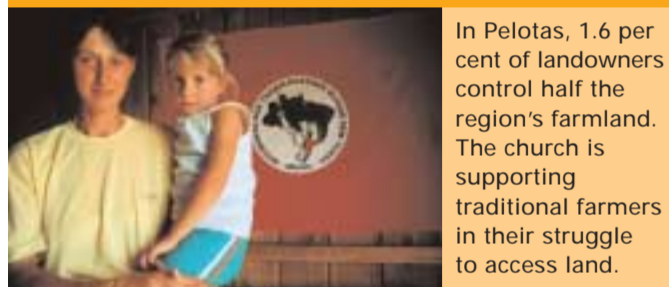

This nursing school, run by the Church of Bangladesh, is helping to bolster the country's under-resourced healthcare services.

Supporting Clergy, Myanmar
Project 436 | Target: £32,420/€43,220

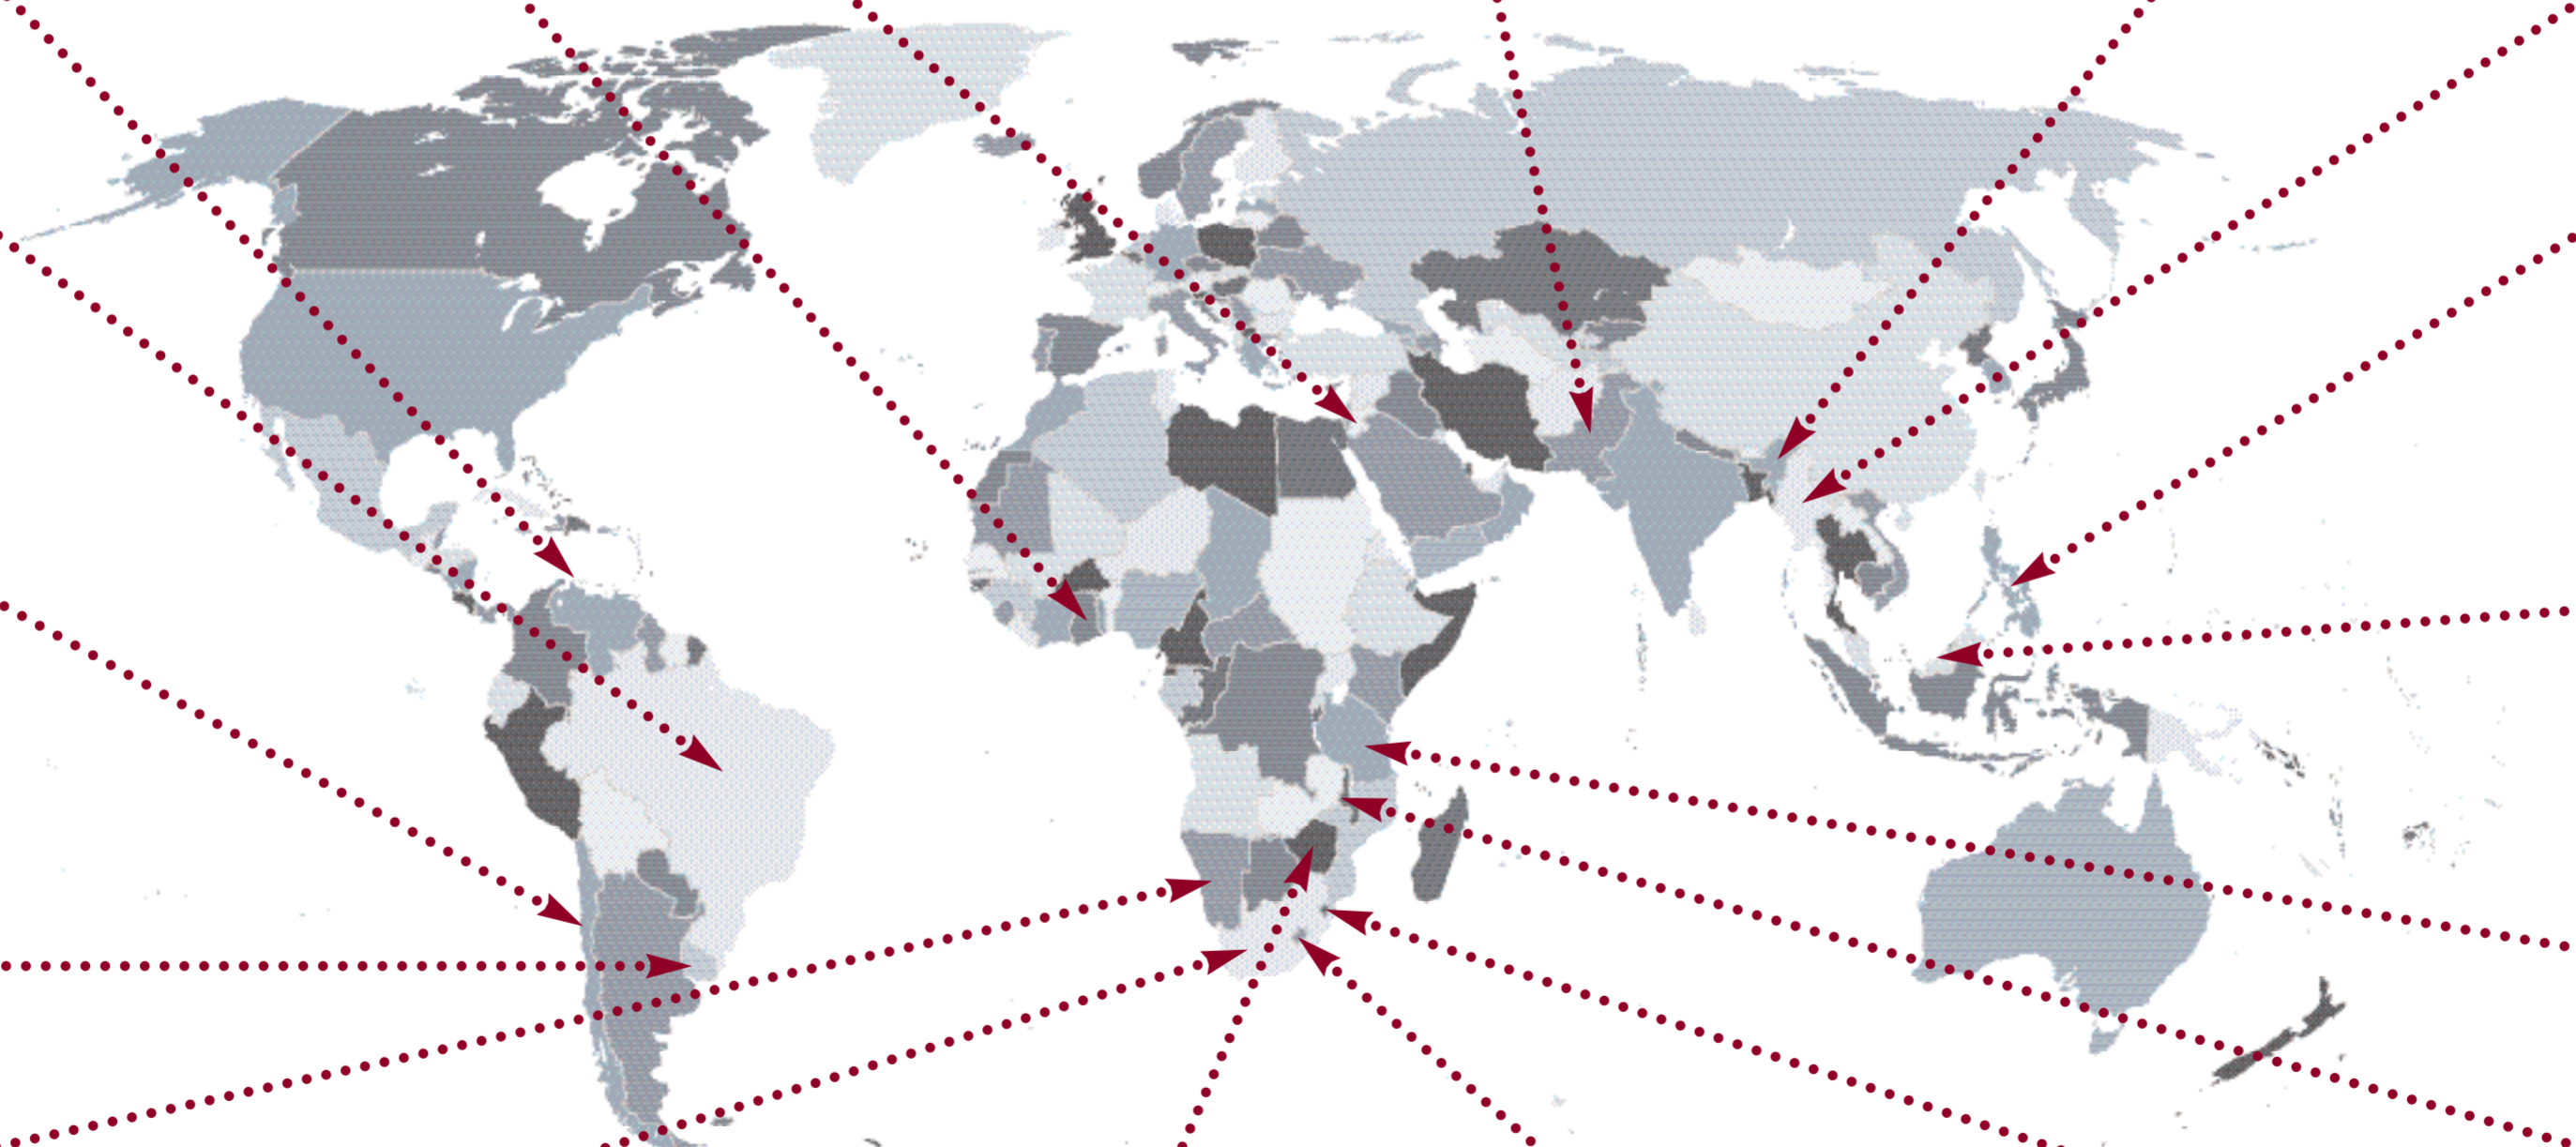

Trained church leaders are sharing God's love by reaching out to communities of all faiths and ethnic groups.

Development for Landless People, Brazil
Project 384 | Target: £1,110/€1,470

In Pelotas, 1.6 per cent of landowners control half the region's farmland. The church is supporting traditional farmers in their struggle to access land.

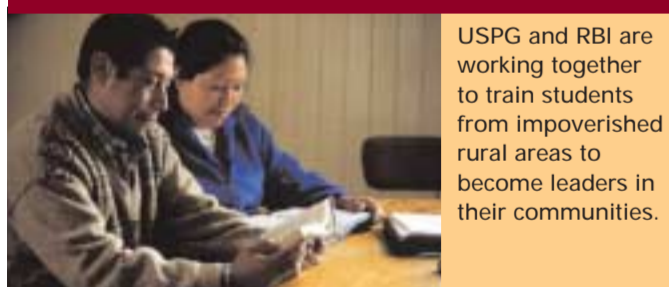

Community Action, Philippines
Project 385 | Target: £4,010/€5,340

USPG is supporting the Episcopal Church as it addresses deforestation and the poisoning of land by mining companies, and other issues.

Rural Biblical Institute (RBI), Chile
Project 361 | Target: £1,330/€1,780

USPG and RBI are working together to train students from impoverished rural areas to become leaders in their communities.

St Nicholas' Home, Malaysia
Project 403 | Target: £5,350/€7,130

St Nicholas' is the institute in Malaysia that specialises in care for deaf-blind and multi-handicapped blind children.

San Esteban AIDS Hostel, Uruguay
Project 355 | Target: £15,320/€20,420

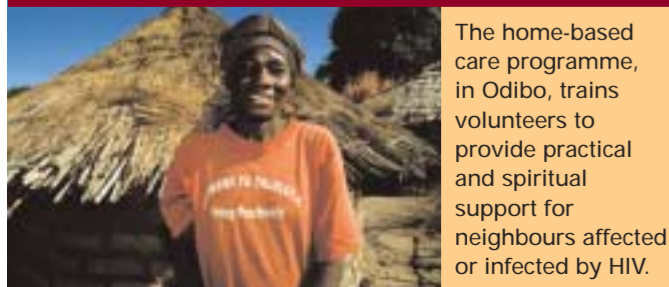

This hostel is helping people with HIV – many of them homeless – to find a job and reintegrate with society, family and friends.

Community of St Mary, Tanzania
Project 386 | Target: £2,670/€3,560

This Project supports the Sisters of the Community of St Mary of Nazareth and Calvary as they share God's love through education and healthcare.

HIV Home Support, Namibia
Project 374 | Target: £4,010/€5,340

The home-based care programme, in Odibo, trains volunteers to provide practical and spiritual support for neighbours affected or infected by HIV.

St Mark the Evangelist, South Africa
Project 394 | Target: £2,230/€2,970

This diocese is keen to expand its ministry, but lacks trained leaders and evangelists. This Project will help recruit and train community leaders.

St Peter's Clinic, Zimbabwe
Project 427 | Target: £2,410/€3,210

Alongside political challenges, Zimbabwe's health system continues to deteriorate. St Peter's is doing what it can to provide a vital service.

St James' Hospital, Lesotho
Project 215 | Target: £33,860/€45,150

St James' Hospital is offering vital healthcare to impoverished subsistence farming communities in the rural mountainous region of Mantšonyane.

Diocesan Training Project, Swaziland
Project 362 | Target: £2,540/€3,390

USPG Mission Companion Andrew Symonds is helping to train clergy and laity as leaders 'so that the next generation can grow in faith'.

Healthcare in Upper Shire, Malawi
Project 282 | Target: £28,020/€37,360

In a region where a quarter of people survive on one meagre meal a day, USPG is supporting two hospitals and a network of health centres.
